Notice of Construction

1

Davis Drive

Town of Newmarket

This will serve as formal notification of construction on **Davis Drive from Bathurst Street to Yonge Street in the Town of Newmarket.**

Description:

- York Region is removing and replacing asphalt road surface on Davis Drive from Bathurst Street to Yonge Street
 - Traces of asbestos are present in the current asphalt on Davis Drive
 - Asbestos was used in asphalt mixes throughout the 1970s and early 1980s to improve performance
 - The risk of exposure to asbestos for workers and bystanders is low
 - As a precaution, York Region's contractor will take protective measures during removal of existing asphalt containing traces of asbestos
- Intersection improvements at Crossland Gate/Ford Wilson Boulevard
 - Upgrading traffic control signals and lighting; temporary signals will be in place during construction
 - Enhancing audible pedestrian signals and tactile walking surface indicators to alert people with low or no vision of an upcoming intersection
 - Reconstructing crosswalk ramps at signalized and non-signalized intersections
 - Constructing a pedestrian island on medians to increase safety
- Replacing culverts that allow water to flow freely under the road

Duration:

- April 2025 to July 2025

Impacts to travellers:

- The road will remain open to through traffic; however, daily temporary lane closures are required
 - Monday to Friday nights from 8 p.m. to 7 a.m.
 - Saturday from 7 a.m. to 7 p.m.
- Intersection improvements at Davis Drive and Crossland Gate/Ford Wilson Boulevard will require temporary lane closures
 - Monday to Friday from 9:30 a.m. to 3:30 p.m.
 - Saturday from 7 a.m. to 7 p.m.
- Access to homes and businesses will be maintained

As with all construction projects, work may be rescheduled due to weather. York Region will provide advance notice where possible.

If you have any questions about this project, please contact:

Procurement & Advocacy for Trade Agreement Exemptions

At the meeting held on April 2, 2025, Council of the Township of Mulmur passed the following resolution:

Moved by Lyon and Seconded by Cunningham

Whereas the Township of Mulmur recognizes that tariffs may increase the costs of goods and services sought by the Township;

And whereas the Township of Mulmur recognizes the importance of supporting Canadian businesses and workers through responsible procurement practices;

And whereas municipalities have significant purchasing power but are bound by international trade agreements;

And whereas trade agreements such as the Canadian Free Trade Agreement (CFTA) impose restrictions on municipalities, and prevent municipalities from giving preference to Canadian suppliers in procurement decisions above certain thresholds;

Now therefore be it resolved that the Township of Mulmur commits to considering Canadian suppliers for goods and services when it is feasible and fiscally responsible to do so for procurements under trade agreement thresholds:

And that the Township of Mulmur commits to continue to utilize cooperative purchasing groups to explore cost-saving measures and Canadian suppliers when it is feasible and fiscally responsible to do so.

And that the Township of Mulmur calls upon the Canadian federal and provincial governments to enact legislative changes to exempt municipalities from trade agreement restrictions while tariffs are imposed, allowing them to give preference to Canadian suppliers for goods, services, and infrastructure projects.

And further that a copy of this resolution be sent to:

- The Prime Minister of Canada
- The Premier of Ontario
- The Minister of Economic Development, Job Creation and Trade
- The Minister of Municipal Affairs and Housing
- The Association of Municipalities of Ontario (AMO)
- The Federation of Canadian Municipalities (FCM)
- All Ontario municipalities for their consideration and support.

Carried.

Dear Hon. Premier and Ministers:

Re. Installation of New Utility Poles in Howick Township through the Accelerated High Speed Internet Project (AHSIP)

It is with great concern that we provide a connectivity update from the perspective of the Township of Howick. The Township applauds the provincial government for its \$4 billion investment to provide high-speed internet access in every region of Ontario and is appreciative of the Ministry of Infrastructure's leadership with the Accelerated High Speed Internet Program (AHSIP).

Improved connectivity to Ontario's unserved and underserved areas creates immense economic development opportunities and begins to address some of the challenges experienced by rural and remote communities. These communities continue to experience profound inequities in the areas of education, business and interpersonal relationships due to the lack of adequate communications infrastructure. The buildout of new broadband infrastructure starts the work towards resolving this inequity.

The Township of Howick is a small, rural municipality with a rich and proud history in agriculture. Through AHSIP, Xplore Inc. has obtained \$1.6 billion of private investment and government funding for fibre network expansion in several underserved, rural Ontario communities, including Howick Township.

While Howick Township is supportive of all rural residents receiving access to reliable high-speed internet, there are ongoing concerns from Council and residents over the installation of dozens of new utility poles within the municipal right-of-way across Howick's countryside instead of utilizing Hydro One's existing utility poles or underground direct bury or drilling methods.

In response to our inquiries, representatives from Xplore Inc. have explained to township council and staff that these new utility poles have been installed by their subcontractor because of "significant delays in Hydro One's permitting process to add broadband infrastructure to their existing utility poles and because it is the most cost-effective installation method."

The Ministry of Infrastructure outlines very thorough processes, procedures and timelines for Attaching to LDC-Owned Poles in the *Building Broadband Faster in Ontario* guidelines released November 30, 2021. Section 2.2 of the guideline outlines the Broadband One Window (BOW) authorization process for LDC owned pole attachments, including the engineering design requirements as well as the applicable standards to which stakeholders are expected to adhere to. This process includes field inspection/survey of the poles, pole loading structural analysis and determination of what telecom and power make-ready work, if any, needs to be completed for safe attachment. Nowhere in the guidelines does the Ministry of Infrastructure outline a process for installing new utility poles instead of attaching to existing LDC owned poles.

This leave us in Howick Township with several questions:

What guidelines are being followed if this ISP is completely bypassing the LDC in favor of erecting new utility poles? Is the Ministry of Infrastructure responsible for making sure these guidelines and processes are being followed? If Xplore Inc. has admitted to avoiding the permitting process of using the LDC's (Hydro One) existing utility poles, who owns these new utility poles that have been installed? Who is responsible for their maintenance and eventual replacement? Who is going to maintain the brush and shrubbery that surround many of these new poles in the municipal right-of-way?

It is Howick Township's opinion that the AHSIP program lacks oversight and compliance measures over the work being completed by the Internet Service Providers and their sub-contractors. Along with this, the *Building Broadband Faster Act, 2021, S.O. 2021, c.2*,

Cc: (via email)
Association of Municipalities of Ontario
All Ontario municipalities
Huron County Federation of Agriculture

Sched. 1 has stripped Howick Township's right to question the installation of dozens of new utility poles without incurring financial penalties for causing delays to the project.

We have included photos (see [Appendix A](#)) of the substandard installation of new utility poles across Howick Township under AHSIP that occurred throughout this past winter. As you can see, many poles were installed incorrectly, quickly and during all weather conditions. This required the sub-contractors to return several times to fix deficiencies. This doesn't seem like the most cost-effective installation method. Other photos show examples of the number of new poles installed in areas of Howick Township. With our primarily agriculture-based background and economy, many Howick Township landowners are quite upset with the amount of new utility poles that have been installed. Farm equipment continues to get larger in size as farming techniques modernize, and these new 30ft utility poles limit access to fields with overhead infrastructure installed along the municipal right-of-way.

Through our research into this matter, we have not found examples of so many new utility poles being installed elsewhere across the province to facilitate the installation of fibre optic high-speed internet infrastructure. New pole installations are only referenced in the program guidelines regarding LDC-owned poles requiring replacement prior to installing the broadband infrastructure.

Can you explain why so many new utility poles are being installed in Howick Township directly by the ISP instead of utilizing existing utility poles owned by Hydro One as outlined in your program guidelines? Municipalities were not informed that dozens of new utility poles would be installed through AHSIP. Howick Township is requesting to have these new utility poles removed in favour of utilizing existing LDC owned poles or direct bury or plowing methods of installation.

We encourage any other Ontario municipalities who are experiencing similar new utility pole installations through the Accelerated High Speed Internet Program to reach out to Howick Township directly, and to join Howick Township by reaching out to the above listed ministries with your concerns.

Thank you for your consideration on this matter.

Please do not hesitate to contact us if you have any questions.

Dear Minister,

RE: Opposition to Proposed Amendments to O.Reg. 530/22 to Expand Strong Mayor Powers

I am writing to express my opposition to the government's proposed expansion of Strong Mayor powers to include the Town of Saugeen Shores. As the Mayor of Saugeen Shores, I am concerned about the implications of this policy change on our local governance. Please consider this letter as the Town of Saugeen Shores submission on O.Reg. 530/22 which is available for comment until April 16th.

In my experience, the 'Council Manager' system of governance has always served our municipality well. Specifically, when it comes to advancing our shared priority of building more housing to serve our residents, Saugeen Shores Council has demonstrated flexible and determined leadership. Our Council has enabled housing by reducing red tape resulting in the construction of more than 600 multi-family residential units in the last two years alone. Given the strong and sustained commitment of our Council to these efforts, I do not see how the introduction of Strong Mayor powers will accelerate the construction of housing (or the pursuit of other priority areas) in any way. On the contrary, vesting these new powers in the Mayor threatens to disrupt long-established and effective processes, sidelining elected members of Council with effects that may be contrary to the interests of our residents.

Saugeen Shores has thrived for decades on the principle of shared leadership. We have an effective team of elected representatives working in partnership with a professional staff to achieve goals that are transparently set out in our Strategic Plan and annual Business Plans. This approach to governance is foundational to building trust between the municipality and the residents that it serves. I fear that the unilateral decision-making enabled by Strong Mayor powers would erode this trust and disrupt the collaborative environment that has long been at the heart of the democratic tradition of our Council and community.

I urge you to reconsider the expansion of Strong Mayor powers. If the government has a strong desire to advance these major changes to the governance of our municipality, I

request that you engage in a thorough consultation process with our Council and the residents of our community before moving forward. It is crucial that any changes to local governance structures be made in close partnership with the communities they impact.

Thank you for your attention to this matter. I look forward to your response and hope that we can work together in the interest of ensuring strong local governance in Saugeen Shores.

Sincerely,

Subject: Tillsonburg Town Council Decision Letter - April 14, 2025 - Strong Mayor Powers
Date: April 15, 2025 8:40:59 AM

Hello,

At the April 14, 2025, meeting of Tillsonburg Town Council, the following resolution was passed:

Resolution # 2025-125

Moved By: Councillor Spencer

Seconded By: Deputy Mayor Beres

THAT Council receive item 12.8 Ministry of Municipal Affairs and Housing Letter Re: Strong Mayor Powers, as information;

WHEREAS the Ontario government has proposed expanding the "strong mayor" powers to 169 additional municipalities under the proposed legislation on May 1, 2025, which would grant mayors in these municipalities more authority, particularly concerning the control of municipal budgets, planning and operational decisions;

AND WHEREAS this proposal has raised significant concerns regarding the centralization of power, erosion of local democracy, reduced accountability, and the potential for the abuse of power;

AND WHEREAS the proposed expansion of strong mayor powers undermines the collaborative nature of municipal governance, and diminish the role of elected municipal councillors in representing the diverse interests of the community;

AND WHEREAS concerns have been raised about the negative impacts on public trust, democratic participation, and municipal decision-making processes, if mayors are given the ability to bypass council decisions without adequate consultation or oversight;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Town of Tillsonburg;

1. Does not support the proposed strong mayor powers as currently outlined;
2. Supports specific powers to mayors as it pertains to identifiable decisions regarding housing, development, infrastructure and transit to provide tools that reduce obstacles that can stand in the way of new housing and infrastructure developments;
3. Strongly suggests that free reign of decision-making regarding hiring, firing, committees and so forth be removed from the proposed authority;

4. Strongly suggests that members of current Council were duly elected officials by citizens with the awareness of one vote per council member and majority votes are the democratic process;
5. Requests that the Provincial Strong Mayor Powers proposed to take effect on May 1, 2025, be deferred to allow for greater clarity and that the Province seek collaborative input from the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO);
6. Directs staff to forward this resolution immediately to Minister Flack, Premier Ford, MPP Hardeman, the Association of Municipalities of Ontario (AMO), the Rural Ontario Municipal Association (ROMA), and all Ontario Municipalities before April 16, 2025.

Re: Resolution# 20250414-011 - Opposition to Strong Mayor Designation for the Town of Amherstburg

At its regular meeting on **April 14, 2025**, Amherstburg Town Council passed **Resolution 20250414-011** in response to the Province's recent proposal to designate Amherstburg as a **"Strong Mayor" municipality**, effective May 1, 2025.

WHEREAS the Province of Ontario has proposed to designate the Town of Amherstburg as a "Strong Mayor" community, granting enhanced powers to the Mayor effective May 1, 2025; and,

WHEREAS the Strong Mayor powers significantly alter the balance of governance at the municipal level, undermining the role of Council in decision-making and weakening the fundamental democratic principle of majority rule; and,

WHEREAS the Town of Amherstburg has a long history of collaborative, transparent, and accountable local governance built upon a foundation of Council-debate and shared decision-making; and,

WHEREAS many municipally elected officials across the province and members of the public have expressed significant concern regarding the imposition of these powers; and,

WHEREAS the Town of Amherstburg did not formally request or express a desire to be designated under the Strong Mayor framework; and,

WHEREAS a growing number of municipalities and elected officials across Ontario are questioning the appropriateness of the Strong Mayor system and are calling for its reconsideration or repeal;

THEREFORE BE IT RESOLVED that Amherstburg Town Council formally request that the Premier of Ontario and the Minister of Municipal Affairs and Housing immediately remove the Town of Amherstburg from the list of municipalities designated under the Strong Mayor legislation;

AND BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Premier of Ontario, the Minister of Municipal Affairs and Housing, all regional Members of Provincial

Town of Amherstburg OFFICE OF THE MAYOR

Michael Prue, Mayor

Parliament, all Ontario municipalities, and the Association of Municipalities of Ontario (AMO) for their awareness and support.

We thank you for your attention to this matter and urge you to respect the democratic wishes of our Council and community.

Dear Premier Ford and Minister Flack,

Re: Opposition to Strong Mayor Powers – Proposed Amendments to O. Reg. 530/22

Please be advised that at its Regular Meeting held Monday, April 14, 2025, the Council of the Town of Kingsville passed the following resolution respecting the matter referenced in the above subject line:

78-04142025

Moved By: Councillor Gaffan

Seconded By: Deputy Mayor DeYong

Whereas on April 9, 2025, the Government of Ontario (hereafter, the “Province”), led by Premier Doug Ford, announced a proposal to expand by “Strong Mayor Powers” as provided for by Part VI.1 of the *Municipal Act, 2001*, to the heads of council in 169 additional municipalities, including the Town of Kingsville, effective May 1, 2025;

And whereas Strong Mayor Powers erode democratic process and have fundamentally altered the historic model of local governance, which has existed for almost two centuries, by:

- providing the head of council with the authority to unilaterally give direction and make certain decisions without a consensus from a majority of the members of council; and,
- creating a power imbalance by providing the head of council with special powers that other members do not generally have.

And whereas the Province is undermining the local governance model and municipal independence by attempting to advance its priorities through municipalities, and downloading its responsibilities to the same.

Now therefore be it resolved that:

- The Council of the Corporation of the Town of Kingsville ("Council") **opposes** the expansion of Strong Mayor Powers, as announced on April 9, 2025;
- That Council **requests** that the proposed amendments to O. Reg. 530/22 to Expand Strong Mayor Powers and Duties to Additional Municipalities not include the Town of Kingsville; and;
- That Council **directs** the Acting Manager of Municipal Governance/Clerk to forward a copy of this resolution to Doug Ford, Premier of Ontario; Rob Flack, Minister of Municipal Affairs and Housing; All Four Local MPPs; AMCTO, AMO and All Ontario Municipalities

Carried.

RECOMMENDATION: 78-2025

Title: Ontario Proposing to Expand Strong Mayor Powers to 169
Additional Municipalities

Date: Monday, April 14, 2025

Moved by Councillor Dunfield
Seconded by Deputy Mayor P. Banks

WHEREAS the Government of Ontario has announced an expansion of strong mayor powers to an additional 169 municipalities, effective May 1, 2025;

AND WHEREAS these powers allow mayors to unilaterally override council decisions, appoint senior municipal staff, and set budgets without majority council approval, undermining the principles of democratic governance;

AND WHEREAS municipal governance functions best through a collaborative decision-making process where elected councils, representing the collective voice of their communities, work alongside experienced municipal staff;

AND WHEREAS there is no evidence to suggest that strong mayor powers have increased housing starts, contrary to the provincial government's stated justification for their implementation;

AND WHEREAS the Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO) has raised concerns that strong mayor powers blur the lines between political leadership and administrative expertise, threatening the neutrality of municipal public service;

AND WHEREAS the City of Orillia recently experienced a situation where its mayor unilaterally overturned a council decision regarding the hiring of a Chief Administrative Officer, demonstrating the potential for these powers to be misused;

AND WHEREAS the Township of Rideau Lakes has also experienced governance challenges resulting from mayoral overreach, further highlighting the risks posed by concentrating authority in a single elected official;

AND WHEREAS democratic principles require that municipal governance remain a system of "one person, one vote" rather than granting disproportionate power to a single individual;

NOW THEREFORE be it resolved that the Council of the Township of Rideau Lakes:

1. Strongly opposes the expansion of strong mayor powers to additional municipalities, including Rideau Lakes;
2. Calls on the Government of Ontario to reverse this decision and uphold the traditional balance of municipal governance; and
3. Directs the Clerk to send a copy of this resolution to:
 - The Honourable Rob Flack Minister of Municipal Affairs and Housing
 - MPP Steve Clark
 - The Honourable Premier of Ontario Doug Ford
 - The Association of Municipalities of Ontario (AMO)
 - The Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO)
 - All Ontario municipalities for their consideration and support.

AND FURTHER that the Province be requested to remove Rideau Lakes from the Strong Mayor Powers Legislation.

The Honourable Premier Ford:

Re: Resolution regarding Salt Management

Please be advised that Town Council adopted the following motion concerning Salt Management;

RESOLUTION NO. C-2025-0077

Moved By Councillor Neeson
Seconded By Regional Councillor Davison

WHEREAS road salt is a known toxic substance designated under the Canadian Environmental Protection Act because of tangible threats of serious and irreversible environmental and public health concerns associated with road salt; and

WHEREAS salt levels in Ontario's groundwater aquifers, creeks, rivers, and lakes have increasingly worsened since the 1970s, seriously affecting municipal drinking water sources and aquatic life; and

WHEREAS Lake Simcoe is our closest freshwater lake and is the 4th largest inland lake within Ontario, host to a number of functions including a biodiverse habitat for over 56 species of fish, the source water for municipal drinking water for hundreds of thousands of residents within the watershed, including 41,000 here in the Town of Georgina, and the many other recreational and commercial functions it serves; and

WHEREAS Lake Simcoe's salinity concentrations have increased over 500% since monitoring began over the past 50 years, with the primary contributor being runoff from the use of salt for winter maintenance; and

WHEREAS the Ontario and Canadian governments have taken many actions over the past 25 years including setting water quality guidelines, developing voluntary codes of practice, signing the Canada-Ontario Great Lakes Agreement, and holding workshops, yet still the salt problem continues to grow; and

WHEREAS numerous situation analyses have recommended salt solutions involving liability protection, contractor certification, government-approved Best Management Practices (BMPs) and salt management plans; and

WHEREAS increased numbers of slip and fall claims, and other injury/collision claims related to snow and ice, are resulting in salt applicators overusing salt beyond levels considered best practices; and

WHEREAS unlimited contractor liability is making it difficult or expensive for snow and ice management contractors to obtain insurance coverage, resulting in contractors leaving the business, thereby making it difficult for municipalities and private owners to find contractors; and

WHEREAS the Snow and Ice Management Sector (SMS) of Landscape Ontario is working with the Ontario government to institute a limited liability regime for snow and ice management, including enforceable contractor training/certification and government-approved BMPs for salt application; and

WHEREAS many Ontario municipalities have Salt Management Plans, but these often require updating in light of improved science and better salt management practices now available; and

WHEREAS The Town of Georgina shares fifty-two (52) kilometers of beautiful Lake Simcoe shoreline and all 288 square kilometers of the Town of Georgina are encompassed by sub-watersheds that drain into Lake Simcoe; and

WHEREAS road authorities that use salt, such as the Town of Georgina, must abide by, and benefit from, established provincial regulations around snow clearing and maintenance, whereas private contractors only have voluntary programs for salt use for private and commercial property management; and

WHEREAS the Town of Georgina has demonstrated great initiative in salt mitigation efforts including committing to the use of rock salt alternatives, installation of electronic spreader controllers on all material spreading units, reduced application rates when appropriate, use of pre-wet and brine when appropriate, and an updated salt management plan that outlines salt best management practices specific to the Corporation of the Town of Georgina's winter maintenance operations

NOW THEREFORE BE IT RESOLVED THAT:

1. That the Town of Georgina urges the Province of Ontario to work urgently with key stakeholders to develop limited liability legislation, including enforceable contractor training and a single set of provincially endorsed standard Best Management Practices for snow and ice management; and

2. That the Town of Georgina urges the Province of Ontario to create and fund an expert stakeholder advisory committee to advise the province and municipalities on the best courses of action to protect freshwater ecosystems and drinking water from the impacts of salt pollution; and
3. That the Town of Georgina continues to commit to the reduction of the use of road salt as much as possible while meeting local service levels and maintaining safety on roads and sidewalks; and
4. That a copy of this resolution be sent to all municipalities in York Region, all Lake Simcoe Watershed municipalities; all municipalities in Ontario; The Chippewas of Georgina Island First Nation and The Lake Simcoe Region Conservation Authority requesting their endorsement; The Association of Municipalities of Ontario (AMO); all Lake Simcoe Watershed MPPs; Conservation Ontario; The Ontario Salt Pollution Coalition; The Rescue Lake Simcoe Coalition; Minister Todd McCarthy (MECP); Attorney General Doug Downey, and The Honourable Premier Doug Ford.

Accordingly, we respectfully request your consideration of this resolution.

Sincerely,
FOR THE TOWN OF GEORGINA,

Honourable Rob Flack
 Minister of Municipal Affairs & Housing

 Toronto ON M7A 2J3

Via email: minister.mah@ontario.ca

Dear Minister Flack,

On behalf of Council of the Town of Parry Sound, please accept my congratulations on your recent appointment as Minister of Municipal Affairs & Housing. It's an important Ministry and we look forward to working with you and Ministry staff.

The Ministry of Municipal Affairs & Housing provided notice on April 9th that the Ministry was seeking comments regarding its intent to extend strong mayor powers to an additional 169 municipalities, including the Town of Parry Sound. The comment period was open until April 16th. These additional powers are not powers that I as Mayor believe are necessary and do not wish to exercise them. At our April 15th meeting, Council unanimously voted to reject strong mayor powers, request the province to repeal the legislation, or alternatively permit municipalities to opt out.

We were disappointed that there was no previous communication before the April 9th letter, with a comment period of only one week. Contrary to provincial claims that strong mayor powers will get homes and infrastructure built faster, reduce red tape and accelerate the delivery of key priorities, research by the Association of Municipal Clerks & Treasurers of Ontario (AMCTO) has found no evidence to suggest this legislation has any impact on the number of housing starts in municipalities that have been granted the powers; and moreover the strong mayor powers have blurred the political-administrative authority between the roles of head of council and Chief Administrative Officers (CAOs) and senior staff, threatening the neutrality of the public service and politicizing local government leadership. We have seen very questionable use by mayors with strong mayor powers.

Our public expects a democratic process. Given the overwhelming use of executive orders by the current US President and multiple respected analysts' concerns about the US slipping into authoritarianism, our country and its democratic institutions should be safeguarding these democratic principles that provide accountability to the public and not undermining them.

We encourage the provincial government to repeal this legislation.

At the April 16, 2025 regular meeting of the Council of the Township of Zorra, the following resolution was passed:

WHEREAS the Ontario government has proposed expanding the "strong mayor" powers to 169 additional municipalities under the proposed legislation, which would grant mayors in these municipalities more authority, particularly concerning the control of municipal budgets and planning decisions;

AND WHEREAS this proposal has raised significant concerns regarding the centralization of power, erosion of local democracy, reduced accountability, and the potential for the abuse of power;

AND WHEREAS the proposed expansion of strong mayor powers undermines the collaborative nature of municipal governance, and diminishes the role of elected municipal councillors in representing the diverse interests of the community;

AND WHEREAS concerns have been raised about the negative impacts on public trust, democratic participation, and municipal decision-making processes, if mayors are given the ability to bypass council decisions without adequate consultation or oversight;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Township of Zorra opposes the expansion of Strong Mayor Powers;

AND THAT the Council formally expresses its opposition to the Ontario government's proposal to expand Strong Mayor Powers to preserve local democracy, transparency, and accountability;

AND THAT the Council encourages advocacy for democratic principles and for municipal governance systems that prioritize collaboration, inclusivity, and democratic engagement;

FURTHER BE IT RESOLVED THAT a copy of this motion be forwarded to the Ontario Premier, the Minister of Municipal Affairs and Housing, all Ontario municipalities, as well as the Association of Municipalities of Ontario (AMO) for further action.
