Central York Fire Services Incident Report

Incident Type: Building Fire

Date: Wednesday, April 20, 2016

Time of Call: 3:30 p.m.

Ward: 3

Address / location of incident: 145 Harry Walker Parkway, Newmarket

Description: Central York Fire Services (CYFS) responded to a commercial building fire in Newmarket. Upon arrival, First Officer reported smoke in the building. Fire crews were inside investigating the cause of the fire. York Regional Police and York Paramedics were on scene for assistance. CYFS Fire Prevention Investigation has been notified.

Cause of incident: Undetermined at this time.

Casualties / Injuries: There are no reported injuries.

Community Impact: Harry Walker Parkway was closed from Davis Drive to Stellar Drive.

Current Status: The fire was extinguished by CYFS fire crews. CYFS Fire Prevention Investigation has been notified and was on scene.

Resources Used: CYFS worked in collaboration with York Paramedics and York Regional Police as required. Mutual aid has been initiated with Richmond Hill Fire and call back has also been initiated.
