# 2022 Reserve and Reserve Funds Continuity Information Report 

Report Number: INFO-2023-13
Department(s): Financial Services
Author(s): Anita Gibson, Senior Financial Analyst
Date: June 9, 2023

In accordance with the Procedure By-law, any member of Council may make a request to the Town Clerk that this Report be placed on an upcoming Committee of the Whole agenda for discussion.

## Purpose

The purpose of this report is to provide information related to 2022 Reserves and Reserve Funds Continuity.

## Background

Reserves and Reserve Funds, including Obligatory Reserve Funds, had a combined balance of $\$ 138.0$ million at the beginning of 2022 and a balance of $\$ 178.1$ million at the end of 2022. The increase is due to the repayment of Newmarket-Tay Power's $\$ 22$ million promissory note (allocated to the Asset Replacement Fund), and lower capital spending than budgeted. Capital spending in 2022 was $62 \%$ of the total capital budget.

All transfers to and from the Reserves and Reserve Funds have been previously approved by Council through the budget process, delegation of authority, or specific requests such as the year-end report on operating results. In addition, the continuity provides information on contributions and interest earned.

Reserve and Reserve Funds are the foundation for financial sustainability. They stabilize fluctuations in operations (taxes and rates) and are savings accounts for major expenditures.

## Discussion

The following highlights the activities of Reserves and Reserve Funds by group in 2022.

## 1. Reserves and Reserve Funds for Capital Purposes.

These reserves and reserve funds were set up to finance future capital projects.

| Category | Beginning <br> Balance 2022 | Revenues | Expenses | Ending <br> Balance <br> 2022 | Change <br> over 2021 |
| :--- | :---: | :---: | :---: | :---: | :---: |
| General <br> Capital | $4,981,544$ | $1,400,579$ | 208,000 | $6,174,123$ | $1,192,579$ |
| Loan to <br> Capital | $(10,532,548)$ | 495,907 | 937,790 | $(10,974,431)$ | $(441,883)$ |
| Designated <br> Capital | $14,278,111$ | $3,648,296$ | 352,014 | $17,574,392$ | $3,296,281$ |
| Asset <br> Replacement <br> Funds | $41,902,811$ | $43,596,638$ | $16,474,041$ | $69,025,408$ | $27,122,597$ |
| Growth <br> Funds | $4,456,900$ | 371,255 | 260,767 | $4,567,388$ | 110,487 |
| TOTAL | $55,086,819$ | $49,512,675$ | $18,232,613$ | $86,366,881$ | $31,280,063$ |

Revenues in the above funds are budgeted transfers from the operating fund. Expenses in the above funds were for capital financing, which was lower than the budget.

General Capital reserves include Community Benefit, Capital Funds, Workplace Transformation reserves and reserve funds.

Loan to capital expenses includes $\$ 0.9$ million in expenditures for water meter replacements which will be repaid from future increased revenues.

Designated Capital revenues include land sale proceeds from the site formerly known as the Hollingsworth arena.

Asset Replacement contributions exceeded capital spending mainly due contribution of $\$ 22$ million from Newmarket-Tay Power promissory note repayment.

## 2. Reserves and Reserve Funds for Operating Purposes

These reserves were set up for tax rate stabilization and operational contingencies. They manage risk by providing a contingency for unforeseen fluctuations in costs and smooth out the impact of expenses that reoccur less frequently than annually, such as the municipal election.

| Category | Beginning <br> Balance 2022 | Revenues | Expenses | Ending <br> Balance <br> $\mathbf{2 0 2 2}$ | Change <br> over <br> $\mathbf{2 0 2 1}$ |
| :--- | :---: | :---: | :---: | :---: | :---: |
| Operational <br> Contingencies | $5,984,371$ | 971,525 | 355,074 | $6,600,822$ | 616,451 |
| Cyclical Expenses | 999,999 | 115,046 | 300,502 | 814,543 | $(185,456)$ |
| Discretionary <br> Operating | $5,483,609$ | $1,079,633$ | - | $6,563,242$ | $1,079,633$ |
| Operational <br> Carry-overs | $\mathbf{2 , 7 8 8 , 1 2 6}$ | 897,492 | - | $3,685,616$ | 897,490 |
| TOTAL | $\mathbf{1 5 , 2 5 6 , 1 0 4}$ | $\mathbf{3 , 0 6 3 , 6 9 7}$ | $\mathbf{6 5 5 , 5 7 6}$ | $\mathbf{1 7 , 6 6 4 , 2 2 5}$ | $\mathbf{2 , 4 0 8 , 1 2 0}$ |

Revenues and expenses in the above funds were mainly transfers to/from the operating fund which includes operating surplus reserves.

Cyclical Expenses include Election, and Inauguration reserves.
Operating contingencies include emergency contingency, street lighting, and talent management.

Discretionary operating includes corporate rate stabilization and NEER (WSIB) reserve.
Operational Carry-Overs include Recreation, and Asset Management reserves.

## 3. Obligatory Reserves and Reserve Funds

Some reserve funds have external restrictions placed on them, usually by the provincial government. They support operational and capital needs as a regular reserve fund, but these "special accounts" are reported as liabilities. Most development-related funding fits into this category.

| Category | Beginning <br> Balance <br> $\mathbf{2 0 2 2}$ | Revenues | Expenses | Ending <br> Balance <br> $\mathbf{2 0 2 2}$ | Change <br> over <br> $\mathbf{2 0 2 1}$ |
| :--- | :---: | :---: | :---: | :---: | :---: |
| Parkland | $6,305,211$ | 739,224 | 250,000 | $6,794,435$ | 489,224 |
| Development <br> Charges | $28,843,173$ | $12,628,999$ | $7,806,103$ | $33,666,070$ | $4,822,897$ |
| Building Canada <br> Fund (formerly Gas <br> Tax) | $11,490,122$ | $2,881,290$ | $2,653,877$ | $11,717,535$ | 227,413 |
| Building Permit <br> Fees | $2,426,107$ | 31,717 | 577,680 | $1,880,144$ | $(545,963)$ |
| Engineering <br> Administration | $(480,624)$ | $1,880,844$ | 775,055 | 625,165 | $1,105,789$ |
| TOTAL | $\mathbf{4 8 , 5 8 3 , 9 9 1}$ | $\mathbf{1 8 , 1 6 2 , 0 7 3}$ | $\mathbf{1 2 , 0 6 2 , 7 1 5}$ | $\mathbf{5 4 , 6 8 3 , 3 4 6}$ | $\mathbf{6 , 0 9 9 , 3 5 9}$ |

Parkland and Development Charge Contributions from developers were higher than projected due to a large deferral agreement for a mixed rental and condominium building, and other residential subdivision developments.

Building permit expenditures exceeded revenues, attributed to operating transfers.
Engineering Administration revenues include the 2021 Operating surplus transfer of \$1 million approved by council. Additionally, engineering fees and charges increased in 2022 to compensate for reduced revenues over the past few years.

## 4. Other reserves and reserve funds

These are reserves and reserve funds not included in the above groups.

| Category | Beginning <br> Balance 2022 | Revenues | Expenses | Ending <br> Balance <br> $\mathbf{2 0 2 2}$ | Change <br> over 2021 |
| :--- | :---: | :---: | :---: | :---: | :---: |
| Development <br> Related <br> Revenues | $4,295,527$ | 410,330 | 468,384 | $4,237,473$ | $(58,054)$ |
| Restricted <br> Operating | $14,792,115$ | $1,000,912$ | 681,730 | $15,111,297$ | 319,182 |
| TOTAL | $\mathbf{1 9 , 0 8 7 , 6 4 2}$ | $\mathbf{1 , 4 1 1 , 2 4 1}$ | $\mathbf{1 , 1 5 0 , 1 1 4}$ | $\mathbf{1 9 , 3 4 8 , 7 7 0}$ | $\mathbf{2 6 1 , 1 2 8}$ |

Development Related revenues are contributions from developers, which include planning application subdivision fees, tree planting, perpetual maintenance, and finance administration fees. As these do not have external restrictions on them, they are not obligatory reserve funds.

Development Related expenses were transfers to operating which included tree planting reserve fund, planning application costs, and perpetual maintenance costs.

Restricted Operating revenues included rate stabilization transfers for water and sanitary sewer.

A detailed list of all the reserves and reserve funds' activities in 2022 is attached to this report.

## Conclusion

This report will inform future budget decisions.

## Business Plan and Strategic Plan Linkages

Healthy Reserves and Reserve Funds are a key component of the Town's Fiscal Strategy.

## Consultation

The 2022 Reserves and Reserve Fund Budget was created from the 2022 Capital and Operating Budgets which were developed by staff and had undergone extensive review by the public and Council. Transfers to and from the reserves and reserve funds were based on budget or Council's approval - direct or delegated.

## Human Resource Considerations

Not applicable to this report.

## Budget Impact

Operating Budget (Current and Future)
This report is for information purposes and has no direct impact on the Operating Budget.
Capital Budget
This report is for information purposes and has no direct impact on the Capital Budget.
