Dear Prime Minister Trudeau:

This is to advise that City Council, at a meeting held on Monday June 28, 2021, passed the following resolution with respect to the rising cost of building materials:

“WHEREAS the prices for construction materials have seen dramatic increases during the pandemic; and,

King Township Rural Zoning By-law Review

Public Open Houses

King Township is undertaking a review of its zoning for the rural areas of the Township, which are currently regulated by the Township's Comprehensive Zoning By-law 74-53, as amended and the Oak Ridges Moraine Zoning By-law 2005-23 (applying to lands within the Oak Ridges Moraine Area). A **Draft Zoning By-law for the Countryside** has now been prepared and released for the rural areas of King Township. The rural area encompasses the Countryside and Hamlet designations, as well as the Nobleton Village Reserve Lands (shown in yellow, on the map, right). The rural area excludes the urban areas of Nobleton, King City and Schomberg.

All interested persons are invited to **join a Virtual Public Open House** to learn about the proposed Draft Zoning By-law for the Countryside and provide your feedback on the proposed changes.

What is a Zoning By-law?

A Zoning By-law is prepared under the requirements of Section 34 of the Planning Act. The Zoning By-law regulates the types of land uses and the character, height, location, size and massing of buildings for all lands in the community.

Why prepare a new Rural Zoning By-law for King Township?

The review of zoning for the rural area follows updates to zoning in the Township's urban areas (the Villages), through the Nobleton Urban Area Zoning By-law 2016-71 and the King City and Schomberg Urban Area Zoning By-law 2017-66, respectively.

There is a need to review and update the Zoning By-law 74-53 and 2005-23 primarily to ensure that the zoning conforms to local, Regional, and Provincial policy, and addresses the Township's new Official Plan. We are seeking the community's input and feedback on the proposed Draft Zoning By-law for the Countryside.

When and where are the Virtual Public Open Houses?

Two Virtual Public Open Houses are being held, each presenting the same material:

Tuesday, July 20, 2021 | 6:00 pm – 7:30 pm
Wednesday, August 11, 2021 | 2:00 pm – 3:30 pm

To **register** for one or both of the Virtual Public Open Houses, please visit <https://speaking.king.ca/rural-area-zoning-by-law-review> to learn more and access the registration page, where you **must sign-up to participate**. You will be able to join the Public Open Houses via a computer or via telephone. The link and phone-in number will be automatically emailed to you following registration.

We will do our best to provide any requested accommodations. Please email or call Kristen Harrison at kharrison@king.ca or (905) 833-4065 for more information.

If I can't make it to one of the Virtual Public Open Houses, where can I find more information?

If you are unable to join a Virtual Public Open House, please visit <https://speaking.king.ca/rural-area-zoning-by-law-review> **after July 23** to view a copy of the presentation and recording of a Virtual Public Open House.

We welcome all ideas and input into this project. For more information about this matter, including information about appeal rights, please contact: Kristen Harrison, Policy Planner, Township of King by email at kharrison@king.ca or (905) 833-4065.

Honourable and Dear Sirs:

Re: Capital Gains Tax on Primary Residence

The Municipal Council of the Town of Fort Erie at its meeting of May 31, 2021 passed the following resolution:

Whereas primary residences are currently exempt from a capital gains tax, and

Whereas currently secondary and additional non-primary properties are subject to capital gains, and

Whereas the Federal Government is currently looking into a primary residence capital gains tax as they have recognized that affordable housing has become a serious issue in Canada, and

Whereas smaller communities including the Town of Fort Erie are seeing unprecedented higher selling prices that are outpacing prices in larger cities, and

Whereas many hard-working Canadians who have only a primary residence with no additional non-primary homes count on their home equity as financial aid to apply to upsizing or downsizing their home depending on their personal situation, and

Whereas a change in taxation to primary residences would be a significant financial blow to Canadians and would create an unfair, two-tiered taxation which could lead to depleted savings, inter-generational disparities, disparities among diverse groups such as seniors who may have a significant portion of their savings vested in their primary residence, as well as, reducing the ability of home ownership thereby a further, higher need for rentals, and

Whereas the Federal government could look at other means to slow down the rapidly escalating housing costs to improve housing affordability;

Honourable and Dear Sirs:

Re: **Capital Gains Tax on Primary Residence**

The Municipal Council of the Town of Fort Erie at its meeting of May 31, 2021 passed the following resolution:

Whereas primary residences are currently exempt from a capital gains tax, and

Whereas currently secondary and additional non-primary properties are subject to capital gains, and

Whereas the Federal Government is currently looking into a primary residence capital gains tax as they have recognized that affordable housing has become a serious issue in Canada, and

Whereas smaller communities including the Town of Fort Erie are seeing unprecedented higher selling prices that are outpacing prices in larger cities, and

Whereas many hard-working Canadians who have only a primary residence with no additional non-primary homes count on their home equity as financial aid to apply to upsizing or downsizing their home depending on their personal situation, and

Whereas a change in taxation to primary residences would be a significant financial blow to Canadians and would create an unfair, two-tiered taxation which could lead to depleted savings, inter-generational disparities, disparities among diverse groups such as seniors who may have a significant portion of their savings vested in their primary residence, as well as, reducing the ability of home ownership thereby a further, higher need for rentals, and

Whereas the Federal government could look at other means to slow down the rapidly escalating housing costs to improve housing affordability;
